Datasheet 06.013 / Technical Information 09.2022

OFFICE

Single bin Quadro-Terra

Description: Self-supporting body, with four straight sides, in the optics of four rings stacked on top of each other with stainless steel top. Sturdy internal construction made of galvanized steel, levelling feet. 1 or multiple colour, powder coated.

Safety: Recessed 7mm square lock. The top reduces the insertion size.

Handling: Can be operated from all sides, allows fast and convenient dropping of the waste. Quick and easy removal of the waste bag from above. The top is opened after operating the lock (1/4 turn) and can be swung backwards manually. The contents are now visible and the waste bag can be replaced.
