OFFICE

Floor-standing wastebasket TJ21

Description: Waste bin with curved fronts and flat sides. Large, oval-shaped opening, insertion from above, with bag holder.

Safety: The container is protected with a 7 mm square lock embedded in the side and has zero fire load.

Handling: Can be operated from both sides and allows convenient dropping of the waste. Quick and easy removal of the waste bag from above. The top of the bin is folded upwards by hand. The contents are now visible and the waste bag can be replaced.
