## ASHTRAYS with cover and litter bin TKD-11-DB

**Description:** Outdoor floor-standing ashtray combined with litter bin and cover, self-supporting construction. 6 mm thick base plate, tubular framework. Ashtray and waste combination body with curved fronts and flat sides.

**Safety:** Snap locks protect the ashtray/waste combination against unauthorized access. Funnel top secured by a non-projecting 8 mm square lock (a key is supplied with each ashtray).

**Handling:** Can be operated from both sides and allows convenient dropping of the waste. Quick and easy removal of the ash tray and waste bag through front door with magnetic snaps. Remove the funnel after operating the lock (1/4 turn) to open the front door. The contents are now visible, the ash tray and waste bag can be emptied/replaced as required.
